THE CAUSE

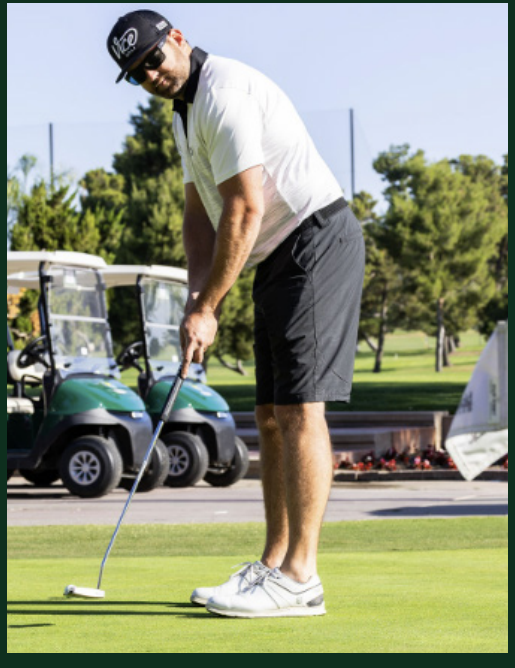

Valley Strong Credit Union is proud to present the 2nd Annual Valley Strong Invitational, our signature golf tournament and a continuation of our long-standing commitment to Children's Miracle Network and the Lauren Small Children's Center at Memorial Hospital. Every dollar raised helps local children receive the critical medical care they deserve, right here in our community. Together, we're driving change that lasts a lifetime.

WHY IT MATTERS

The Children's Miracle Network supports over 170 children's hospitals across North America, ensuring no child is turned away due to inability to pay. Locally, the Lauren Small Children's Center provides specialized care to newborn and pediatric patients, including advanced monitoring and treatment services for families across Kern County and surrounding communities. It stands as the only comprehensive inpatient pediatric program in Kern County, offering vital services including the Robert A. Grimm Children's Pavilion for Emergency Services, the Madhu Bhogal, MD 31-bed Level III Neonatal Intensive Care Unit (NICU), an eight-bed Pediatric Intensive Care Unit (PICU), and the Bolthouse 35-bed Pediatric Unit, all staffed with 24/7 in-house pediatricians and recently added two new pediatric surgical suites with eight dedicated pre-operation and recovery rooms.

OUR INITIATIVE

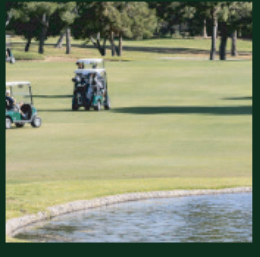

At Valley Strong, we believe the strength of our community is measured by how we show up for one another. The Valley Strong Invitational is a powerful example of people helping people, bringing together business sponsors, community supporters, and neighbors for a day of golf, connection, and giving.

LAST YEAR'S IMPACT

At our inaugural tournament on April 27, 2026, at Seven Oaks Country Club, our community raised $300,000 to benefit the Lauren Small Children's Center. These funds are helping expand the resources, equipment, and programs that support newborns, children, and families receiving care close to home.

Here's what your support can mean for a local child:

- $1,000 funds equipment for children in the pediatric emergency room
- $5,000 provides specialized surgical supplies for pediatric patients
- $10,000 supports the needs of critically ill children in the pediatric intensive care unit

Your participation helps save lives and builds a stronger, healthier future for local families. Join us as we go even further in 2027.
