Why Choose Mercury?

- Mercury pays the repairer directly by credit card. Out of pocket expense is limited to your deductible (if any)
- Mercury pays for fluids, filters, taxes & diagnostic fees for covered repairs
- All claims are handled by Mercury, not a third party administrator. Mercury is also the Insurer
- Mercury's claims adjusters are certified by the National Institute for Automotive Service Excellence
- No limit on the number of claims up to maximum liability
- Transferable one time for a small fee if you sell to a private party
- 60 day free look
- Cancellable (prorated based on the greater of time or miles)

Repairs Are Expensive!

Key Considerations

- The risk of unexpected breakdowns increases with vehicle age & miles
- Repairs are expensive & repair costs increase over time
- Unexpected breakdowns can strain your budget & put your good credit at risk
- You effectively lock-in the cost of unexpected breakdowns for the term of the Agreement
- The ability to transfer coverage to a private party may increase your vehicle's resale value along with the chance of its sale
